Antioch at Glenbrook Saturday After Loss To Grayslake 18-0

Sophs Lose to Rams 18-6 Freshmen Play Scoreless Tie Monday

The Antioch football teams will journey to Northbrook Friday evening to face the undefeated Glenbrook teams after losing to Grayslake Saturday evening 18 to 0 on the Sequoit gridiron.

Coach Paul Kessenich believes that if his men play the kind of ball they are capable of they will be able to produce an upset against Glenbrook. Glenbrook has won from Lake Forest, Palatine and Bensenville.

Injuries to Bob Terry and Bill Leyton received last Saturday may keep them out of the coming game. Frank Walsh will be moved from end to tackle in the place of Terry and Sid Parker will take Walsh's place at end.

The defeat at the hands of the Grayslake Rams last Saturday evening by the varsity was just a case of too much power from a heavier line plus good protection for Ram runners.

"Had we not been called back in the first quarter on a touchdown play, I believe the boys would have been in the game more than they were," said Coach Kessenich. "We didn't get many breaks."

The Rams had a total yardage of 200 to Antioch's 25 in rushing which gave evidence of Grayslake superiority.

Antioch Gains Through Air Attack
Antioch had to take to the air and gained 74 yards in 16 attempts. An intercepted pass gave Grayslake a touchdown, however, and a fumble on the 7-yard line set the stage for the other Ram score.

Grayslake scored its first touchdown early in the second period when Peregrin went two yards on an end sweep to climax a 59-yard drive started late in the opening period. Of this yardage Peregrin ran 26 yards.

Late in the first half Schroeder took a screen pass from Al Reckers and crossed the Grayslake goal but a pushing penalty nullified the score.

Early in the second half Peregrin snapped a flat pass from Reckers and ran 39 yards for a TD.

A Grayslake drive in the fourth period was stopped on the 25-yard line and when the Rams attempted a field goal it fell short. With the score 12-0, Grayslake soon after recovered a Sequoit fumble on the 7-yard line and Moore went over from the two-yard line.

Coach Kessenich said that Grayslake must be given credit for playing good ball. "It's a good team," he said.

Sophs Lose Too

In the preliminary game the Antioch sophomores lost to the Grayslake sophomores 18 to 6. Grayslake took advantage of Antioch's ragged playing to score all touchdowns in the first half. In the second half the Sequoits got busy and not only held the visitors but scored a touchdown.

Freshmen of the two schools battled to a scoreless tie Monday. Grayslake was threatening the Antioch goal when the game ended.

Wm. H. Tiffany, 86, Formerly of Antioch, Dies at Chetek, Wis.

William Harry Tiffany, 86, a former resident of Antioch and a brother of the late A. L. Tiffany, died Saturday, September 25th in Chetek, Wisconsin, where he had been a resident since 1913.

Mr. Tiffany was born in Antioch, November 22, 1868, the son of Charles and Susan Crittenden Tiffany. He grew to manhood here and in 1890 married Anne Grimm. Seven children were born to them, two of whom died in infancy.

The family moved to Chetek in 1913 when Mr. Tiffany founded the Tiffany Motor Company with his sons, Harry and Raymond. After several years the business changed hands, becoming the Chetek Motor Co., but Mr. Tiffany continued to work there until about three months before his death.

His wife preceded him in death in May, 1928.

Surviving are the children Harry, Lorene and Vera (Mrs. E. C. Schultz) of Cameron, Wisconsin; Raymond of Chetek; and Madelyn (Mrs. Franklin McIntyre) of Schofield, Wisconsin. There are also seven grandchildren and 12 great grandchildren. Mrs. B. R. Burke and Mrs. Elsie Goltz of Antioch attended the funeral.

John Palmer Pays His Subscription 49th Year

John Palmer of Antioch R. F. D. No. 4 called at the Antioch News Tuesday to pay his subscription for the newspaper for the forty-ninth time. Next month Mr. Palmer will have been married 50 years. One of his first purchases after getting married was to subscribe for the Antioch News and he has never been without it since. Not only has Mr. Palmer been a steady subscriber, but his parents were as well. His subscription started at the time of their deaths. His is one of the oldest subscriptions on the Antioch News list.

Village to Investigate Sewage Situation at North Ave. Industries

Wisconsin Water Users To Pay Antioch 35c Per 1,000 Gallons

Complaint that sewage coming from what appeared to be a broken drain tile was flowing on neighboring property near the Regal China Company plant and the St. Cyr detergent factory has caused an investigation by the village board.

Members were told last evening by Village Attorney E. C. Jacobs following a communication from Engineer David Miller that the area had been inspected and that there appeared to be cause for complaint.

"The question," said Jacobs, "is whether this is a matter for the village to investigate or the parties involved to settle."

The trustees thought the village has the power of investigation in view of the fact that E. J. Thiele complained that there was odor from the sewage and this is a matter of health. President James McMillen is serving as health officer.

The sewer and water committee will open the tile at the "Y" where the drains of the two industries converge to see where the fault lies.

Engineer Miller said that while the China company put in a new septic tank which should be working properly, its sediment tanks are not satisfactory.

The board in other business set the price of water for Wisconsin users at Oakwood Knolls subdivision at 35 cents per 1,000 gallons, and the portal meter rate at \$5.00 per quarter.

Water Mains for Dwight Court

Engineer's approval was given for an extension of the water mains a distance of approximately 525 feet on Dwight Court, connecting with the North Avenue Mains. The main will be six inches in diameter with three hydrants. Mrs. Nelson Drum, who is financing the project will be able to collect from those who connect with it on the basis of front footage of lots.

Members of the board will attend the annual convention of the Illinois Municipal League at Springfield. Expense of \$75 is provided for each member who attends.

Bills for \$549.20 and \$399.00 were submitted by the Inland Lakes Sewer and Water Company for extension of water mains from Ida Avenue north 500 feet on Anita Street, and for the elimination of a bottleneck where the larger mains connects with a smaller one at Ida Avenue, near the Soo Line tracks.

Rather than tie the village money up in bonds which would take time for disposal when the money is needed, the trustees voted to deposit the surplus in local banks evenly. The funds comprised \$1,526.21 of special assessments, \$1,249.46 from the firemen's sinking fund, and \$10,760.75 from the sewer department.

The clerk's report shows that at the last meeting the salaries of Clarence Shults as collector and Police Chief Walter Scott were increased by \$25.00 a month to compensate them for increased services.

H. KRAMER, R. CAA TOP BI-STATE SCORING

Leading scorers in the Bi State Bowling league last Thursday were H. Kramer with 608, 225 and R. Gaa with 599 and 223, with handicap. High team series for the evening went to Linder's Liquor with 2703. Leo Fox Trucking and Martin Radio and T. V. lead the league with 10 wins and 2 losses each. L. Gier of the Shantytown Tavern team shot a triplicate last week, scores were 139, 139, and 139.

BROTHER OF C. L. HEATH DIES SUDDENLY

C. L. Heath was called to Riverside, California, recently due to the sudden death of his brother, Harold C. Heath.

Ingleside Pastor's Son Fatally Burned at Play

David Fison, Jr., 4-year old son of the Rev. and Mrs. David K. Fison of Ingleside died at 11:00 p. m. on Tuesday at St. Therese hospital in Waukegan from burns received shortly after 2:00 p. m.

The child was at play with his sister, Deborah, 2, in the Fison back yard while Mrs. Fison was visiting at the home of the next door neighbor, Mrs. Walter Lefler.

Suddenly David ran to the back door of his home with his clothing ablaze. Mrs. Fison suffered burns on her hand as she and Mrs. Lefler beat out the flames.

The Fox Lake Rescue squad took the child to a Fox Lake physician and then to the hospital.

It is believed the boy was playing with matches which he found on top of a refrigerator.

Mr. Fison is pastor of the Ingleside Methodist church.

Besides the younger daughter, there is an older daughter, Susan, 8.

The funeral service will be at 2 p. m. tomorrow (Friday) at the Ingleside church with the Rev. Raymond Bond, superintendent of the Chicago Northern district of the Methodist church officiating.

Instead of flowers, a David K. Fison memorial fund will be established and contributions may be made to it.

Alma H. Beager, 64 Dies at Loon Lake; Funeral Held Yesterday

Alma H. Beager, 64, of Loon Lake, died Monday at her home following a lingering illness. Mrs. Beager was born September 30, 1891, at Meissen, Germany. She came to America in 1910, living in several locations in Illinois before coming to Antioch in 1946. She was a member of Faith Evangelical Lutheran church. For the past eight years she had cooked at the Antioch Township High School cafeteria and also at Hastings Lake Camp, during the summer months.

Survivors are her husband, Ernest, three sons, Siegfried, Crystal Lake, Herbert, Lake Villa and Otto of Antioch, four daughters, Hilda Taylor and Myrtle Baumann both of Elgin, Vera Secor, Union, Illinois and Eleanor Schultz of Marshfield, Wisconsin, a brother and a sister in Germany.

Funeral services were held Wednesday at Faith Evangelical Lutheran Church with the Rev. R. P. Otto officiating. Interment was in McHenry County Memorial Park cemetery.

Registration will be made with typists inside the Service Station before entering the Unit for X-rays.

No disrobing is required. Results of each person X-ray is confidential and mailed to the individual.

The entire program of the Lake County Tuberculosis Association is financed through your purchase of Christmas Seals.

CHAMBER DIRECTORS TO MEET

After making final plans for the Dollar Days celebration, the Chamber of Commerce, meeting Monday at Smart's Country House, set October 21st at a date for the meeting of the board of directors. The directors will appoint a nominating committee to select candidates for the board in preparation for the annual election.

Directors whose terms will expire at this time are Russell Barnstable, Bruno Manzardo, and Harold Nelson. They will not be eligible for re-election.

Misses Mary and Deedie Tiffany and Miss Belle Hughes of Waukegan returned home Monday after spending a week at the Tiffany cottage on Lake Superior, near Copper Harbor, Michigan.

Annual Homecoming Of Antioch High Set For Saturday, Oct. 15

Plans Made For Traditional Game, Parade, Dance and Bonfire

Plans for the Annual Homecoming celebration at Antioch high, on Saturday, October 15th, are complete with committees hard at work on the various phases of the celebration.

The traditional parade, the bonfire, a pep meeting and the football game and dance are items on the program.

Under the sponsorship of the student council, arrangements are being made to promote a parade which will be bigger and better than ever. Again, businessmen and former students and grads are being asked to enter floats in the parade. Various organizations of the school and community will compete for the best float.

Freshmen students have already started to collect wood for the bonfire which will be touched off the night before the game after the pep rally.

The game against Bensenville's Fenton Hall, Saturday evening, will be followed by a dance in the school gym. Jill Camphausen, a senior, will be crowned queen of the homecoming. Her court will consist of Diane Sheehan, senior; Sandy Tegelman, junior; Judy Sheehan, sophomore; and Jill Gaston, freshman. Bob Vogle and his orchestra will furnish music for the dance.

Student committees under the direction of Student Council faculty sponsor, Mrs. Jeanette Tulumello, and Council president, Robert Cain, are making plans for the events. Joan Forbrich, Don Cardiff, Sheryl Mair, Marilyn Paglusch, Yvonne Bligmer, Don Wertz, and Jackie Martin form the parade committee with Mr. Don Chappetta, Miss Pat Howard, Mr. Lawrence Leon and Mr. John Grady as faculty advisors.

The bonfire committee—Richard Behrens, Charles Behrendt, Norman Palenske, Alan Moorman, Roger Van Patten, and Sandra Barnstable—are working under the direction (continued on page 4)

Weather for September Was About Average Kufalk's Report Shows

September's weather was just about average according to Antioch's weather record, according to Roy Kufalk.

While Chicago weather records showed that the total average temperature was just about 75 degrees above normal, the heat was noticed here.

There were three days with temperatures 90 or above during the month, Kufalk reports. The warmest was 91 degrees on the 9th, and 90 degrees were registered in the 18th and 19th.

The lowest temperature was 45 degrees on the 25th.

The total rainfall for the month was 2.6 inches. The most at any one time was seven-tenths inches on the 14th.

FIREMEN GET TWO CALLS

Comparatively small damage was reported from two fires which drew the attention of the Antioch department this week.

The firemen were called to Loon Lake at 12:5 p. m. Sunday where the car of Mrs. Walter Gebhardt caught fire. The fire started in the fuel pump, but was extinguished before it spread far. The fire was out before the firemen arrived.

The motor on a jet water pump in the basement of the Frank Royer home at Channel Lake near Cox's Corner caught fire at 3:30 p. m. Monday. The damage was limited mainly to the smoking of the house and the destruction of the motor, according to Fire Chief Edgar Simonsen.

Mrs. Gordon Bonner; Lifelong Resident of Millburn Died Today

Mable Bonner, 66, a lifelong resident of Millburn community, passed away after a lingering illness, early today. She had been hospitalized at Victory Memorial hospital for several weeks.

Mrs. Bonner was born in Millburn in 1889, and was long active in community affairs. She served as a correspondent to the Antioch News for more than twenty-five years, recording happenings of her community. Surviving are her husband, Gordon, a son, Howard of Millburn, a sister, Miss Vivien Bonner, LaGrange, and a brother, Leslie Bonner of Millburn.

She was a member of the Millburn Congregational Church, and was an active worker, serving as a deaconess at the time of her death. She was a charter member of the Lake County Home Bureau.

Funeral services will be held on Saturday, October 8th at the Millburn Congregational church with the Rev. L. H. Messersmith officiating. Interment will be at Millburn Cemetery.

The family asks that flowers be omitted and contributions be sent to the American Cancer Society.

Friends may call at the Strang Funeral home after 3:00 p. m. Friday. The body will rest at the Millburn Church from 1:00 p. m. Saturday until time of the services.

Building in Antioch For September Totals \$107,961.00 in Value

Building permits issued for the month of September had a total valuation of \$107,961.00, a monthly report submitted by Clerk Clarence Shults to the village board Tuesday evening revealed.

Eight new residences, having a valuation of \$87,455, exclusive of lots gave testimony to the growth of the village during the month.

One new business building a gasoline station, was valued at \$17,900 and alterations to residences had a total value of \$2,606.

The new construction of last year is having its effect on tax valuation and income to the village was shown by the report of Treasurer Martha Hunter. She received Saturday from the tax collector \$11,259.93, which was in contrast to the total of \$10,807.48 last year. Additional tax income that usually comes from the county treasurer is expected to make this year's increase a sizeable one.

Antioch High G. A. A. Hostess to Schools At Playday Saturday

Antioch High School Girl's Athletic Association will be host to 11 other schools at a G. A. A. playday from 9:00 a. m. to 2:00 p. m. Saturday.

The guest schools are Elva Vernon, Grant, Grayslake, Harvard, Libertyville, North Chicago, Wauconda, Warren, Woodstock, Zion and Waukegan.

Teams will be made up of representatives of each school in games of volleyball, relays, kickball, and dodgeball. Lunch and entertainment will be from 12:30 to 1:30 p. m. An estimated 125 girls will take part in the contests.

Novel Demonstration of Wonders of Liquid Air To Be Presented at H. S.

The wonders of liquid air will be the first professional assembly sponsored by the Antioch High School Student Council. David S. Williams will present the fifty minute program in the local high school auditorium on Monday, October 10th, at 8:50 a. m.

Parents and citizens of the Antioch community are invited to attend the program. There is no charge.

Mr. Williams, assisted by Mrs. Williams presents a strictly modern version of the liquid air demonstration that have been popular for a long time. The Williams have attractive stage personalities and their equipment piques the curiosity of the audience long before the excitement starts. They have been doing this program as a hobby until a year ago when they were prevailed upon to bring it to the schools. They will actually operate a model stationary engine, use a mercury hammer to drive rubber nails, cut windscreen with a cigar, and set a model jet plane in flight.

Many Bargains Available Daily For Shoppers

Free Parking All 3 Days; Pennants Mark DD Merchants

The long awaited money saving event is here.

Dollar Days in Antioch opened today and will continue Friday and Saturday with merchants of the village vying with each other in offering special bargains.

Observed as a two-day sale last year, Dollar Days were extended to three days this year under arrangements made by the Antioch Chamber of Commerce. This will give shoppers of the area an additional day to take advantage of lower prices, and at the same time will place a challenge to the merchants to have enough stock on hand to take care of any rush on particular items.

As a special inducement there will be no fees for parking the three days. Local residents are asked to keep the parking places open as much as possible for out of town shoppers, although no distinction will be made so far as the courtesy is concerned.

Pennants will be displayed in stores where special bargains are being offered. The pennants are provided by the Chamber of Commerce. They also are a badge that signifies that timely merchandise is being offered.

Advertising in today's Antioch News may serve as a guide to shopping. Some merchants are offering reduced prices on certain items, while others are offering a general discount.

Methodists Plan Food Drive for Orphanage

The Antioch Methodist Church will sponsor a food drive for the Lake Bluff orphanage.

This annual event is under the direction of the hospital and homes committee headed by Mrs. Clara Westlake, chairman.

Members and friends of the church may bring gifts for the orphanage either to the Sunday School or the church session on Sunday, October 16th.

The food may be sugar, eggs, commercially canned goods, fruit or vegetables. Home canned goods is no longer acceptable because of state laws governing foods at institutions. There was a time when the women did canning for this event or gave extra supplies, but that day is past.

The supplies will be picked up on Monday and conveyed to the orphanage.

Jack Benny, Honorary Chairman Of Retarded Children's Association

Word was received by the Retarded Children's Educational Society of Lake County that Jack Benny, CBS Television and Radio Star, has accepted the post of Honorary Chairman of the National Association for Retarded Children, according to an announcement of Martin W. Papish of Philadelphia, president of the organization. Mr. Benny will also serve as Chairman of National Retarded Children's Week, which will be held this year from November 13th to 23rd.

The National Association represents more than 400 local affiliates in communities throughout the United States. Its program is to bring help to retarded children through research, education and services.

Mr. Benny plans to work actively as chairman. He will serve as master of ceremonies on a special nationwide television show in which he is enlisting the services of other well known television and screen personalities. This is scheduled for broadcast during the middle of November. CBS is donating the facilities to produce the show, which was done on Monday, September 12, via television recording at CBS, Television City.

CATCH 47-POUND TURTLE

Richard Goetz, 17, and Dan Goerner, both of Chicago recently caught a 47-pound snapping turtle while fishing at Lake Marie. The turtle was so big, according to Goerner there was enough to feed the whole neighborhood and the leftover was sent by Goetz to relatives in Indiana.

On An Equal Footing

The traffic managers of manufacturing companies are not prejudiced for or against any form of commercial transportation. Their desire is to move their companies' products in the most efficient and economical manner.

It is a significant fact that these traffic managers, for the most part, are strongly in favor of the report of the Presidential Advisory Committee on Transport Policy and Organization which proposes that regulation be relaxed in order to permit the competing carriers greater freedom in pricing their services.

A typical expression came from the traffic manager of a Chicago bag company: "I believe that with a minimum of regulation, the carriers best suited to handle the traffic efficiently and most economically will handle the bulk of the traffic best suited to them. This is desirable and should result in saving to the consuming public." Another came from the traffic manager of a Houston rice company: "The interest of the shipping public can best be served by allowing all forms of transportation, especially the rail carriers, to compete for the carriage of goods on an equal footing."

If the committee's recommendations are followed, regulatory authorities will retain full power to prevent discrimination and unreasonable rates. The legitimate interests of all concerned will be protected. And we will get the best possible service at the most reasonable cost.

"WITHOUT DUE PROCESS OF LAW"

The Nebraska Supreme Court has upheld that state's right-to-work law. The decision noted that compulsory union membership would in some instances "compel support, financial and otherwise, of policies which an employee might deem objectionable from the standpoint of free government and the liberties of the individual under it."

Then it added, "To compel an employee to make involuntary contributions, from his compensation, for such purposes is a taking of his property without due process of law."

"An employee not only has a right to work, but he has the guaranteed right to have his earnings protected against confiscation against his will."

The 17 states which have passed right-to-work laws have simply affirmed that every man has the privilege of joining or not joining a union, as he chooses, and that neither employer nor union official has the right to infringe on that privilege. What valid argument—in law or in moral principle—can be used against that?

We Must Have Venture Capital

"Free enterprise, in order to flourish, needs ven-

ture capital to nurture it," says Manufacturers Record. "If venture capital is confiscated by unfair taxation, free enterprise will wither and eventually die."

Some of the greatest employing industries of today were, at their beginnings, widely regarded as crazy experiments, foredoomed to failure. Men took risks and ridicule in the knowledge that if they succeeded they would profit. The profit motive, for all the criticisms made or it, is the most powerful force for material progress that exists.

The Only Solution

Representative Jenkins of Ohio recently spoke on "The Coal Industry and Its Importance to America's Economy and Progress." He stressed the fact that this industry "must be ready for the great undertaking that lies ahead, and it cannot be prepared for this job if it is forced to operate at a loss in the interim period."

For a long time coal's profit situation has been bleak. Few mines have been able to earn anything resembling a decent profit. Many mines have operated at a loss.

The picture has now been complicated by the new wage agreement which, over a period of time will add \$2 a day to each miner's pay, plus expensive fringe benefits. An inevitable result has been an increase in the price of coal. The operators had no other course—it was impossible for them to absorb the wage boost and stay in business.

It now remains to be seen what will happen. One bright spot is found in exports, which are running at high levels, and according to the forecasts, will continue to do so, because desirable grades of coal are universally in short supply abroad. But this can't solve coal's basic problems. The only solution is a strong domestic market, in which coal is sold at a fair and profitable price.

The Low Down From Hickory Corners

Up and down and across our land our senator and congressman talk about our farm problem. As I put my thinking machinery in gear and ponder, I deduct it is not Mr. and Mrs. John Q. Farmer they are perturbed about—they are perturbed about votes. And they are standing on their own foot—most of 'em. Most of them—posing as farm experts—wouldn't know a cornfield from a rye or oats field. They perchance might know rye from bourbon—perchance, I say.

Take the meat business. The cattle raisers took the bull by the horns and said, "Gents, you boys there on the rily Potomac, go on home, we need no props, we want no Govt. alms, we can get along." And you know meat was never more plentiful or good. And there is nary a 5 centavos in your income tax bill for beef props like you divvy on your 30c loaf of bread—and your cheese, and peanuts, and cotton, etc.

A simple problem is being made confusing and expensive via theory and vote bait. I am for prosperity and lots of it—and perpetual—and for everybody—for the fellow who raises the wheat to the little lady who buys the 30 cent loaf.

Uncle Ike's boy, Ezra—Mr. Benson—is working on the problem and he savvies—he knows oats from wheat. He needs a freer hand. He needs fewer props, he says. It is time to give him same.

Yours with the low down,

INSTALLATION PLAN

When you install a new electric clothes dryer, we share the cost of necessary wiring. You can save important money with our New Plan. For example, in a 1-family home an electric dryer installation now costs only about half as much as before. The Plan is available at all electric appliance dealers. Yours will tell you how much you save. And you save more than money. Your TV picture improves, lights brighten—everything electrical works better. And you can install an electric range, water heater or air conditioner (that requires a 240-volt circuit) quickly and cheaply.

SOCIETY EVENTS

Woman's Club Speaker Defines Charm; Tells How it is Acquired

More than sixty women were present to open the thirty-fifth season of the Antioch Woman's Club when it met for luncheon at Smart's Country House on Monday.

The speaker, Louise Baslow Kay, in her talk "Charm at Home and Abroad" defined the charming person as one who makes those around herself pleased with themselves. She said that there were few truly beautiful enchantresses but that they all had power to know how to create the illusion of beauty and have pleasing voices with a command of languages, alert minds, spirit and responsiveness. She also suggested exposing oneself to the finer things in the quest for charm.

Mrs. Kay attributed the European woman's reputation for charm on the fact that every girl's home is a charm school where matrimony is the goal.

An easterner, the speaker complimented the midwesterners on the greater clarity and freshness of speech, but suggested that they could take some emphasis off of their R's and put more on their L's.

Her closing thought described the charming people as vistas of lovely color in an otherwise drab world.

Mrs. Clarence Spiering, new president, presided at the meeting at which such topics as providing homes for patients who are ready to leave Downey Hospital but have no homes, where brought to the attention of the club members.

The president has announced that Mrs. Richard Carlucci has now taken the responsibility of transporting two polio patients to their swimming therapy as part of her club work. Mrs. C. E. Hennings provided this service during the summer.

W. S. C. S. EVENING CIRCLE TO MEET ON OCTOBER 13

The evening circle of the Womens Society of Christian Service will meet at 8:00 p. m. next Tuesday at the home of Mrs. Robert Irish with Mrs. George Wiley serving as co-hostess.

The program will include a book review "The Gift Is Rich", by Mrs. Warren Polley.

Plans for a family night program for November will be discussed at this meeting.

EPISCOPAL AUXILIARY TO HOLD BAZAAR AND DINNER DECEMBER 1st

The Ladies Auxiliary of St. Ignatius Episcopal church have planned a bazaar and dinner for Thursday, December 1, in the church dining rooms. Serving will start at 5:00 p. m. The ladies have been working all of the past year making dolls, rugs, aprons, etc. There will be many beautiful gifts for Christmas.

MR. AND MRS. ARMOUR HOST AND HOSTESS AT BARBECUE PARTY

Mr. and Mrs. Laurance Armour, Jr. of Lake Forest entertained one hundred guests at their Sunnyside Farm home near Antioch, Saturday. After a lawn barbecue, the group enjoyed an old fashioned barn dance. Bessie Barnes orchestra furnished the music for dancing, while Ray Alderson did the calling.

BAPTIST WOMEN TO MEET

The Women's Missionary Society of the Baptist Bible Church will meet Friday, October 7th, at the home of Mrs. Olaf Anderson, 617 W. Oakwood in Round Lake Beach. Meeting begins at 11:30 a. m. Each lady is to bring her own sandwiches, coffee and dessert will be served by the hostess.

These meetings have been well attended, and the ladies enjoy Christian fellowship as they seek to advance the missionary effort of the church. A cordial welcome awaits every lady attending these meetings.

CUB SCOUT NEWS

The Cub Scout program in Antioch is fairly well organized, but the difficulty is obtaining enough den mothers to supervise all of the boys who wish to be cub scouts, said leaders in accounting for the delay.

Cubmaster Charles Smith, Pack Committee Chairman Rick Eckert and Den Mother Rosemary Eckert attended the Cub Scout Pow-Wow held in the Gleview Community Church last Saturday. At this 8-hour session they saw cub scout handicraft, a den meeting staged, and received valuable information regarding scout pack administration and ceremonies.

A Cub Scout pack committee was held at the home of Mrs. Del Jahneke Tuesday. Plans were formulated for the Cub Scout family picnic to be held Sunday at the Scout House and park. The picnic will begin at 2:00 p. m. and all families of cub scouts are invited. There will be a weiner and marshmallow roast, games, and a short pack meeting.

Lake Villa Woman's Club Opens Season Sept. 27th

Virginia Belke, president of the Lake Villa Woman's Club entertained twenty-five members and one guest, Mrs. Yancey, on Tuesday evening, September 27th in her home.

It was the first meeting and the business meeting was opened with a discussion of plans for the new year. Mildred Greene, vice president gave a report of the programs planned. A report on The Lake Villa Township Library 1955 Summer Reading Program supported by Lake Villa P. T. A. and Woman's Club was given by Eleanor Holway. The financial report of the Club was read by Bernice Armstrong.

Refreshments were served by the hostess and co-hostess, Ruth Bocox, Eleanor Holway, Mildred Green and Mrs. M. G. Thompson.

Antioch Eastern Stars Attend State Meeting

A number of Antioch members of the Order of Eastern Star are attending the state convention of that organization at Chicago this week. Among them are Worthy Matron Helen Leudtke, Mrs. Lillian Gaa, Mrs. Martha Hunter, Mrs. Margaret Pincombe, Mrs. Harriett Davies, Mrs. Lillian Woods, and Mrs. Helen Chapman.

The convention is being held at Medinah temple.

Mrs. Clarence Heath and some Rainbow Girls attended the night session Tuesday at which a Pageant of Progress was staged.

"Words couldn't describe the beauty of it," said Mrs. Heath.

Florence Aitken, Dist. Chr. Speaker at B. P. W. Meeting

Miss Florence Aitken, chairman district No. 1, National Federation of Business and Professional Woman's Clubs, was guest speaker at the opening meeting of the Antioch Club Monday evening at the 19th Hole. Thirty-five members and guests enjoyed a delicious turkey dinner, served at six thirty. Following the dinner a short business session was held, presided over by the president, Mrs. Wanda Ostdahl.

MRS. DIBBLE HOSTESS TO PINOCHE CLUB

Mrs. Frank Dibble entertained the members of her pinocle club at her home at 1025 South Main Street, Tuesday afternoon. Prizes were awarded the winners of the highest scores. A luncheon was served by the hostess.

The Altar and Rosary Sodality of the recently formed Catholic Parish, Prince of Peace, will hold its monthly meeting at the Lake Villa Fire House, Monday, October 10th at eight o'clock. Robert Willrett, owner of Pine Tree Manor Greenhouse will show displays of floral arrangements and table decorations. Mrs. Margaret O'Neil and her committee will have charge of arrangements and lunch.

Mr. and Mrs. John Horan and Mrs. Ida Osmond arrived home on Thursday after a three weeks vacation. They traveled the northern route to Spokane, Washington, then to Portland, Oregon and Phoenix, Arizona. They visited Mr. Horan's brother, Charles Horan and family at Fort Worth, Texas and Mr. and Mrs. Charles Hosteller, Sr., and Mrs. Leon Doerr at Azusa, and Mrs. Louise Gilbert at Ban Nuys, California.

Ralph Trieger, son of Mr. and Mrs. Arthur Trieger who spent the past twenty-six months in Signal Corps Alaska Com. system, received his discharge at Fort Lewis, Washington September 24th. After flying to Detroit where he purchased a car, he drove to Antioch for a visit with his parents.

Birthday Party and Dance on Moose Slate

Members of Antioch Loyal Order of Moose No. 525 celebrated the monthly birthday dinner on Wednesday, September 28th. The lodge meets on the second and fourth Wednesday of each month and dedicates a dinner to those members whose birthdays occur in that particular month. This month's menu was planned and prepared by Les Nelson and Bill Horton and was served by birthday members. Dinner included roast beef, mashed potatoes, salad, vegetable and dessert. The Moose dance will be held this coming Saturday at the Moose lodge. Music will be furnished by Bob Vogel. Those who have attended in the past can attest to the excellence of the dance program and general enjoyment of all participants. Tickets may be purchased from Moose members or at the door.

Many See Movie Of India's Wild Animals Photographed by Moyer

A large crowd attended the illustrated lecture of John Moyer, Chicago, at the Methodist church Monday evening.

Moyer showed his film "Shikar in India" which he took while traveling in that country while on loan to the state department from 1951 to 1954. He is head photographer of the Chicago Natural History museum.

The pictures gave closeups of wild animals and were in color. The event was sponsored by the Antioch Men's Club.

Postmaster Roy Kufalk and John Lippert report good fishing on their vacation trip to International Falls. They got their limit and the wall-eyed pike they caught ranged up to four pounds each. They did their fishing about 35 miles from International Falls on Rany river, but made their headquarters in the city.

CLARKE PLEDGES D. U.

The Northwestern Chapter of Delta Upsilon Fraternity announces the formal pledging of Fred J. Clarke, son of Mr. and Mrs. George Clarke, 410 Hardin Street, Antioch. Fred entered Northwestern University's Technological Institute this September.

During the next three month's pledgeship, in addition to extensive studying, Fred will join his 22 pledge brothers in service projects at the Illinois Cerebral Palsy Home, Illinois Orphan's Home, and the Evanston Hospital in replacing DU's Hell Weeks with Help Weeks.

LANDS 8-POUND NORTHERN

William J. Post, 52, a Chicago forage company foreman by week-day and a fisherman by week-end believes that early fall fishing is best. While fishing with a friend, Al Czech, 40, Chicago, recently caught a 36-inch 8 pound northern pike.

It was almost nightfall and Czech was pleading for a departure when according to Post, something like the 20th Century Limited grabbed Post's bait. After a 30-minute fight and by the light of stars Post landed his big one.

GIRL SCOUT NEWS

Members of the Lakeside Council met recently at the Grayslake Community High School for the first council meeting of the season.

After the flag presentation, Mrs. Ethel Busch of Fox Lake led the group in singing.

Mrs. Alice Erickson, Second Vice-President of the Council, introduced the new neighborhood chairman, Mrs. Venita Cowell, Round Lake; Mrs. Cella Johnson, Antioch; Mrs. Helen Rathbone, Lake Villa; Mrs. Ethel Busch, Fox Lake; Mrs. Barbara Richardson, Grayslake and Mrs. Marcella Jewel for Gages Lake.

Mrs. Stina Nordling of Lake Villa, Council Registrar, announced that there are now 935 girls registered in Scouting and 280 registered adults. Also, there are 49 troops, 23 of which are Brownie troops, 24 Intermediate, and 2 Senior troops. Of the 935 registered girls 429 are Brownies, and 488 are Intermediates, and of the 280 adults, 124 are Brownie leaders, and 126 are Intermediate leaders. Registered seniors constitute 18 girls and 10 adults.

Mrs. Catherine Trowbridge, now retired from the Council, and the person most responsible for starting the Lakeside Council, remarked that in 1947 there were only 100 girls registered, indicating a remarkable growth in a span of eight years.

Mrs. June Sims, Camping Commit-

tee Chairman reported that the camp session for this Council will be the second week in June, and that Mrs. Mary Janse Nelson of Druce Lake will again be available as Camp Director for that period.

Definite plans for an Instructor's Course in First Aid to be given by a representative from the Waukegan Chapter for adults in the Lakeside Girl Scout Council will soon be announced. Anyone interested should write or call Mrs. Mae Backovitch, Box 658, Round Lake, Kimball 6-4527.

Further arrangements for the Girl Scout Cookie Sale in this Council were presented by Mrs. Venita Cowell, and the leaders received order blanks, many envelopes, and the necessary material for their troops. The Cookie sale will start October 16th with the Intermediates selling cookies and the Brownies selling containers of mixed nuts, the sale ending October 23rd. Leaders should keep in mind that they may turn in their money in two installments, the first being due October 22nd and the final payment due November 6.

The members then divided into Brownie and Intermediate groups and discussed ideas and problems relating to their troops.

Tolerance of other drivers' difficulties shows a mature point of view, according to the Chicago Motor Club. A tolerant driver doesn't try to take advantage of or "get even" with other motorists.

Footloose Folks Still Following Greeley's Advice

NEW YORK—"Go West, young man," Horace Greeley advised his contemporaries of the 19th century. With the 20th century more than half over, the mass westward migration Greeley helped promote is still going strong.

Over the past 15 years there has been a marked shift of population to the Far West, principally from the South and Midwest, with California gaining more people through migration than any other state.

From 1940 through June 1945, when defense production was booming in California, the net migration of civilians to that state averaged 385,000 a year, but even in recent years the average has been 284,000 a year. As a result of this movement and a sustained high birth rate, California gained 1,968,000 in population from April 1950 through June 1954—almost one fifth of the increase in the entire country for those years.

During the same period a number of other states have had substantial gains in population through migration. Florida averaged 130,000 annually during these years; Michigan averaged 52,000; New Jersey 44,000; and Arizona and Ohio 38,000 each.

By contrast, Pennsylvania and seven southern states—West Virginia, North Carolina, Kentucky, Tennessee, Alabama, Mississippi, and Arkansas have been losing 30,000 or more persons annually by migration since 1950.

The principal cause of migration is job opportunities, although in recent years there has been an increase for older, retired people to settle permanently in milder climates, particularly in Florida and Southern California.

First Deathless Congress in Years

WASHINGTON—For the first time in more than 20 years, no members of the Senate or House died during the session which ended last August 3.

The year before there were nine deaths among senators and representatives.

One member-elect of the 84th Congress, Dwight Rogers of Florida, died in December before Congress convened in January. His son, Paul G. Rogers, was elected to succeed him.

Not since the house membership was increased to 435 more than two decades ago had there been a session of Congress during which no senator or representative died.

Since 1929, when the practice of conducting annual memorial services for deceased members started, an average of 10 members have died each session.

As reflected by the memorial services, the peak number of deaths was 21 Senators and House members in 1937. The lowest was previously 3, in 1943.

Drive-In Movies Try Gimmicks for Crowds

PITTSBURGH—The popcorn machines that have kept millions of Americans contented at the movies are giving way to more spectacular gimmicks in the campaign to lure customers into drive-in theaters.

Drive-ins along the shores of Lake Erie have gone in for complete restaurants where you can get pizza, shrimp rolls, chicken in a basket, along with the usual popcorn and candy.

Even baby sitters are provided to watch over children while their parents relax in their automobile to watch the giant outdoor screens. Some theaters have playgrounds with merry-go-rounds, swings and scenic railways.

One enterprising outdoor-theater owner near Pittsburgh went the limit—by stocking a pond with trout and building a swimming pool for overheated patrons.

Animal Reaction to High Flight Recorded

MINNEAPOLIS—Mice and guinea pigs which soared almost 25 miles above the earth in a free balloon ride landed safely in North Dakota after a 26-hour flight.

The flight was conducted by Winzen Research, Inc., for the Air Force to determine the animals' reaction to high altitude.

The plastic balloon, tall as a 25-story building, landed near Crosby, N.D. 26 hours after leaving International Falls, Minn.

The balloon attained an altitude of 125,000 feet. Defense sources in Washington said monkeys and mice were rocketed to 400,000 feet in March, 1952.

Sneak in Sink

ST. LOUIS—Mrs. Richard Godler went to her kitchen sink to wash the dishes.

The sink was clogged. As she poked around, up popped a snake. Mrs. Godler did the natural thing—she screamed. Her husband came running and captured the 10-inch garter snake.

RETURNS TO TENNESSEE TEMPLE

Arthur Kreft, son of Mr. and Mrs. Paul Kreft, Route 1, has enrolled in the Junior class at Tennessee Temple College, Chattanooga, Tennessee.

The Tennessee Temple Schools, founded in 1946 by the Highland

Park Baptist Church of Chattanooga, under the leadership of Dr. Lee Roberson, have grown to include the Bible School, the College and the Temple Baptist Theological Seminary. All three schools are Southern Baptist in their denominational preference and have in attendance students from 35 states and 9 foreign

countries. An increased enrollment shows the largest student body in the history of the school.

LOOK AT ALL THE CHECKERED FLAGS CHEVROLET'S COLLECTED!

Drive with care... EVERYWHERE!

Great Features back up Chevrolet Performance: Body by Fisher—Ball-Race Steering—Outrigger Rear Springs—Anti-Dive Braking—12-Volt Electrical System—Nine Engine-Drive Choices.

Every checkered flag signals a
Chevrolet victory in official 1955 stock car
competition—not only against its own field
but against many American and foreign
high-priced cars, too!

Let's translate these Chevrolet vic-
tories into your kind of driving.

You've got to have faster acceleration
to win on the tracks. And that means
safer passing on the highways. You've
got to have better springing and suspen-
sion. Again, safer and happier motoring
for you. You've got to have big brakes
that act fast and smooth... and easy,
accurate steering. More things that make
your driving safer.

But it's more fun to try these things
out than just to talk about them. So come
in and let's take a ride.

The safer car wins...
and Chevrolet's
the winning car

NOW'S THE TIME TO BUY!

Boy Scout Finance Campaign Scheduled to Start November 6

Edwin Frederick, Libertyville, northwestern district finance chairman, announced today that plans are underway to organize the Boy Scout Finance Drive which is scheduled to open here on Sunday, Nov. 6. This campaign will be for the support of the North Shore Area Council, and we hope everyone "will support the Boy Scouts and make every home an investor".

The North Shore Area Council is a partnership or federation of 34 communities in Lake and north Cook counties. These communities pool their resources of leadership, facilities and money to make the Scouting Program available to all boys in our community.

Many contributors may ask,

"What happens to each dollar I give?" Here is the answer:

Over half — 57.8 cents to be exact — provides direct service to the 34 communities of the North Shore Area Council, through the leadership and assistance of professional Scout Executives who give supervision and direction to the entire Scouting program at the local level.

About 25 cents out of each dollar are used to maintain the North Shore Area Council Office in Highland Park, which is a "service station" for all adult leaders Packs, Posts and boys in the communities served by the Council.

Another 10.1 cents go for camping, activities and program, including the maintenance of Camp Ma-Ka-Ja-Wan, a wooded Wisconsin retreat where 844 Scouts spent part of their summer in 1955. The dollar helps subsidize this camp so that virtually any boy can afford to pay the modest camping fee.

Most of the remaining cents of

the dollar pay for leadership training, program aids, badges and awards.

Only a penny out of each dollar goes to the National Boy Scout Office.

Doing about 90% of our servicing in the living room, we at COURTEOUS TV see a lot of different arrangements of lamps and lights, and much of it is poor. Many builders of newly constructed homes are making more scientific plans for television in living rooms, however, most of the older homes can make better viewing positions for televisions.

A simple test is the mirror check. Hold a hand mirror in front of your TV screen and if any light reflections strike it from lamps or windows, then your setting is wrong. Reflections from the screen will cause undue eye strain.

Your television room should be well-lighted, too, and have an even illumination; no sharp contrasts. It is good to have the walls behind your set light but not lighter than the screen. Ceiling lights should not be used unless they are of the flush type.

Your television viewing should never be tiring. And if any difficulties arise that make the screen unsteady, or give you anything but clear and sharp pictures, phone Antioch 144 and let us check it for you. We'll guarantee you satisfaction, and assist you in relocating your set for the best picture.
